

High School Community Service Project

Food Drive
with

I'm a high school student working on completing my community service hours for graduation.

Backpack Society is a 100% community supported nonprofit. They provide food to kids on weekends & breaks when they don't have access to it at school.

I'm excited to announce I'm holding a food drive to support their mission!

Please email or message me for donation pick ups

Thank you!

Our Mission:

To provide children in our community the food they need to grow, learn and thrive.
